Please indicate the following for Bore Spacers and Duct Bank Spacers

PROJECT REFERENCE AND LOCATION

Bore Spacers

- Conduit size(s)
- Number of conduits
- Type of conduit
- Casing type
- Casing ID
- Length of run
- Min. conduit-to-conduit separation
- Grout - filled or not filled
- Single or double style

Duct Bank Spacers

Duct bank spacers require all of the above information
except for grout.
